Limited Lifetime Warranty on Drawer Glides and Hinges: Innovation Cabinetry warrants to original consumer purchaser(s) for as long as they own their home that the drawer box, drawer glides, and hinges used in the manufacture of Innovation Cabinetry products shall be free from defects in material and workmanship under normal use.

These warranties are only applicable to products used in residential applications within the United States and are nontransferable to subsequent owners.

Should defects in material or workmanship exist during the applicable warranty period in any Innovation Cabinetry product, Innovation Cabinetry will elect at its discretion to either repair or replace the defective material or component free of charge. This warranty covers only parts and materials of the products supplied by Innovation Cabinetry. Not covered under this warranty are countertops, appliances, plumbing fixtures, etc. or the costs, including labor, to remove and reinstall materials and related components such as fixtures, appliances, etc...

This warranty shall become void if the cabinets are in any way modified, improperly installed, or damaged prior to or during the installation. This also disclaims products utilized in any application other than the standard. Furthermore, this warranty will not apply to cabinets damaged by misuse, neglect, abuse, acts of God, exposure to moisture, exposure to extreme temperatures or the effects of normal wear and tear.

Natural woods vary in color, characteristics, and exhibit subtle changes as they age. Sunlight, smoke, household cleaners, and other environmental conditions may also affect the color match over time. These variations are considered to be the nature of the material in relation to their environment exposure and are not covered under this warranty.

Innovation Cabinetry reserves the right to alter design, specifications, and material without obligation to make similar changes to products previously manufactured.

The repair(s) or replacement(s) are contingent upon the current product offerings of style and construction options within the Innovation Cabinetry product at the time of the warranty claim. If a warranty claim is filed after an Innovation Cabinetry product becomes obsolete, Innovation Cabinetry reserves the right to honor the warranty in one of the following fashions:

- 1) To replace the affected component with a new component of the same style.
- 2) To replace the affected component and any other component(s) in the residential application to achieve a uniform appearance with a similar and comparable product style of the originally purchased style.

If components are replaced, Innovation Cabinetry cannot guarantee that the finish of these replacement(s) will exactly match the finish and appearance of the components in the residential application. This is due to the changes that occur during the woods' natural aging process, affecting its color and grain.

THIS WARRANTY IS THE EXCLUSIVE WARRANTY OF INNOVATION CABINETRY AND IS IN LIEU OF INNOVATION CABINETRY DISCLAIMS ALL OTHER WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.
